

Bolio Lake FGA

Last monitored: 7/16/02

Access: Mile 257.6 Richardson Highway. Turn west on Meadows Rd and go 2 miles to Bolio Lake Rd. Continue 0.5mi. to Lake. Vehicle access by north side. Vehicle trail follows the west shoreline. Accessible from the north side with the south side being wetland and possibly impassible when wet.

Wetlands: Emergent vegetation along north and south shores—long emergent veg area. Gravelly along east and west shores.

Size: 138 acres

Recreation: Picnicking, fishing, trail along west side

ADFG signs: Good—name—"Stocked by ADFG"

Development: Picnic table, fire pit on north side of lake

Impacts: Vehicle tracks to south side of lake—looping around. Rocky shore on west side.

Other: Water levels dropping, shoreline mostly accessible for fishing
